The Manor Weekly July 19 to July 25, 2021

Visitor Guidelines as of July 19th, 2021

The new Visitors in Senior's Assisted Living Guidelines from the Ministry of Health, which take effect July 19th 2021, will remove the requirement to schedule visits in advance and remove the limit on the number of visitors.

It is strongly recommended that visitors are fully immunized against COVID-19 and provide proof of vaccination prior to entering the facility. Fully vaccinated visitors will be required to wear a medical mask while moving through the facility. Visits can take place in the suites or in the courtyard. Visitors who do not demonstrate they are fully vaccinated are required to wear a medical mask for the duration of the visit, including when in direct contact with the person they are visiting.

As all visitors must be screened for signs of illness including COVID-19, visiting hours will be from 9:30 am with last visitors entering at 6:30 pm. Guests can stay overnight.

Thank you for your cooperation during this time.

Other COVID-19 Updates

We are pleased to report that Volunteers are finally allowed to come back into the building! This means that we are able to have musicians and different people coming in to help with our activities and events.

Watch for an expanded list of activities being offered in the coming weeks.

Already booked we have the trio of George, Colleen & Russell coming in to play for us on August 9th!
