Wreath Making

Our wreath making event is this Wednesday! Tenants are welcome to invite a family member or friend to join and assist them in making a beautiful artificial Christmas wreath.

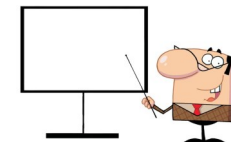

We would like those planning to attend to sign-up on the bulletin board so we know how much supplies is needed.

**Wednesday Nov. 24th at
1:00pm**

Games with Bob

Bob will be here this Tuesday for games in the 1st floor lounge area! Come down and join him for some group trivia and other guessing games.

**Tuesday @
1:30pm**

Postal Box

You may have noticed we have a new postal box on the main floor beside the elevators. This is for tenants to receive parcels. If you have a parcel arrive, you will receive a key in your regular mail-box. You then take the key over to the parcel box and open it to get your parcel.

This postal box also has a slot for sending out letters. If you have a letter to mail you need to put a stamp on it and then you can put it in the mail slot and it will go out, you don't need to walk to the nearest post box!

Tenant Survey

A reminder to tenants about the annual satisfaction survey. This week is the last week to get your survey in. Please hand in at the office.
